PAYMENT POLICIES**

The services provided by the Wabash Friends Counseling Center are performed by master’s level counselors or whom are licensed by the State of Indiana. A standard session time is a 50 minute hour.

INSURANCE: If you have insurance that includes Mental Health Benefits, the initial intake session will be billed at \$150 and each session thereafter will be billed at \$120. You will be responsible for the remaining amount not covered under your Mental Health Benefits. *The insurance benefits quoted by your insurance company and/or WFCC are **not** a guarantee of payment. Please note that benefits can change periodically and may affect the amount that your insurance company will pay. The final confirmation of your benefits and copy will appear on the Explanation of Benefits you receive from the insurance company.*

SLIDING SCALE: If you do not have insurance or do not want your insurance to be billed, we offer the sliding scale which is based on your annual household income. Proof of income must be provided, i.e. a copy of your current tax form or a copy of your 3 most recent employment pay stubs. If you have any changes in your income, Proof of Income must be provided again. You must send the Proof of Income via mail, email, fax or bring it in person to the Wabash Office. You will be charged the full fee of \$150 until we have received your Proof of Income. An additional \$20 will be billed for the initial intake (first session) and yearly intakes.
